IN MEMORIAM

Volume V is dedicated to the memory of:

EDWARD THORNTON HEALD
20 September 1885 - 1 Jun 1967

Mr Heald was born in Portland, OR and moved at Peoria, IL at the age of ten. He graduated from Peoria High School in 1903. He received his bachelor's degree in 1907 from Oberlin College where he was a Phi Beta Kappa. He also received a master's degree in history at Western Reserve University and for his thesis wrote a biography of Canton's founder, Bezaleel Wells.

He had a long career in YMCA work beginning in 1917 as a secretary for the International YMCA in Russia. Following three years in international service he was general secretary of the YMCA in Troy, NY. From 1929 to 1945 he served as general secretary of the Canton, OH YMCA. Following a year as business secretary of the Canton Public Library he helped found the Stark County Historical Society becoming the first secretary-treasurer. Twenty years later he played a prominent role in planning the Stark County Historical Society and became its first director.

From 1949 to 1959 six volumes of The Stark County Story were published containing the scripts of Mr Heald's radio broadcasts of the early history of the county. He is buried in North Lawn Cemetery and his grave is recorded in this volume on page 149.

ACKNOWLEDGEMENTS

At the end of each cemetery are listed those who spent much time in copying the inscriptions. Hazel Murphy has continued as the Coordinator for the entire project. The typists were Hazel Murphy and Dorothy Wig. The Stark County Historical Society provided the materials for the covers and the map.

CCF # 140566

Stark County, Ohio was formed in 1809 from Columbiana County. It subsequently lost Brown, Harrison and Rose Townships to Carroll County in 1833 and Green and Franklin Townships to Summit County in 1840. It contains seventeen townships today. Its cemeteries date from 1805 when the first settlers came. There are 200 cemeteries today. This volume covers the central townships of Plain and Canton. There are twenty-three cemeteries in this volume.

Much use has been made of the previous cemetery book entitled Cemetery Records, Stark County, Ohio. It was researched by E. T. Heald, H. T. O. Blue and H. D. Paxton. It was compiled, edited, and indexed with a foreword by Dorothy Sommer, Head, Reference Division, Canton Public Library Association. The project was sponsored by the Stark County Historical Society. It consisted of four volumes, one of which was the index, and was typed in 1955. It covered 158 cemeteries from the earliest time until 1900. Most of the inscriptions were copied in the 1940's. Much credit must be given to the researchers because many of the tombstones which they copied are unreadable or nonexistent today. The map used by E. T. Heald to locate the cemeteries in the 1940's was made available by Eva Sparrowgrove of The Stark County Historical Society.

In this volume the cemetery numbers assigned by Heald have continued to be used. The description of the locations of the cemeteries in Stark County were submitted by Marilyn Oyster and Evelyn Jessup to The Ohio Genealogical Society for inclusion in their 1973 book entitled Ohio Cemeteries, which lists the location of every cemetery in the State of Ohio. The same descriptions are used in this volume.

An attempt has been made to read the tombstones in rows so that a person can locate a particular stone from the description. This has not always been possible because of the haphazard manner in which some cemeteries are laid out. All stones have been included to the present day. Stones illegible or missing, but listed in Cemetery Records, Stark County, Ohio, referenced above, have been included and are so indicated.

The project continues. All the cemetery inscriptions in Perry Township have already been read. Typing and indexing remain to be done. West Lawn Cemetery in Canton Township will be the last portion to be completed.

In 1954 the intersection of 55th St.
and Middlebranch Road was widened.
The iron fence was taken down and
some tombstones were removed and
discarded. It is hoped that these
inscriptions are included in the
above listings from Heald & Blue.

CANTON TOWNSHIP. HILLCREST - STARK COUNTY HOME CEMETERY #86

LOCATION: S28. On North side of Faircrest St. between Dueber Ave. S.W. and Cleveland Ave. South, directly north of Faircrest Memorial Jr. High School.

(HILLCREST CEMETERY is related to the STARK COUNTY HOME CEMETERY that was located about 27th St & Cleveland Ave, North Canton, Ohio. It was also called the INFIRMARY CEMETERY. The Stark County Home Cemetery was used to bury residents of the Stark County Home that did not have plans to be buried elsewhere. Other Stark County residents without burial provisions may have been buried there. The County opened HILLCREST CEMETERY in 1927. All of the bodies from the STARK COUNTY HOME CEMETERY were transferred to HILLCREST CEMETERY and placed in a common grave.)

STARK COUNTY HOME CEMETERY was established in 1837. Records of the HOME & CEMETERY are currently kept at Nist Geriatric Nursing Home, 7770 Columbus N.E, Louisville, Ohio. Various records exist, but the compiler could find only 2 Volumes at Nist dealing with STARK COUNTY HOME CEMETERY. (Vol-1: 1908-1914 & Vol-2: 1914-1922)

HILLCREST CEMETERY RECORDS:

The County opened HILLCREST CEMETERY in 1927. All of the bodies from the STARK COUNTY HOME CEMETERY were transferred to HILLCREST CEMETERY and placed in a common grave.)

Since most of the graves at HILLCREST CEMETERY do not have tomb stones, the compiler also copied the cemetery records.

(The records are kept at Nist & Stark County Public Works Dept., Mahoning Rd & Maple Ave., Canton, Ohio.)

(Date of Death was rarely recorded. All dates are burial dates.)

CANTON TOWNSHIP. WELLS CEMETERY

Bezaleel Wells platted Canton in 1805. He dedicated certain tracts for specific purposes. "The old graveyard, now known as McKinley Park on McKinley Avenue, S.W. was established as a graveyard by endorsement on the plat." The abandonment of Wells Cemetery mentioned in the book "Bezaleel Wells, Founder of Canton & Steubenville, Ohio" by Edward Thornton Heald, 1948.

CANTON TOWNSHIP. WELLS CEMETERY

Bezaleel Wells platted Canton in 1805. He dedicated certain tracts for specific purposes. "The old graveyard, now known as McKinley Park on McKinley Avenue, S.W. was established as a graveyard by endorsement on the plat." The abandonment of Wells Cemetery mentioned in the book "Bezaleel Wells, Founder of Canton & Steubenville, Ohio" by Edward Thornton Heald, 1948.
